Enthusiastic Revival Conducted by Mrs. Grace Weiser Davis in Hampton Street Methodist Church.

The revival services conducted by Mrs. Grace Weiser-Davies in the Hampton Street Methodist church last night were very successful. Mrs. Davies gave an especially interesting Bible reading on the subject, "A Three-Storey House with Only One Window in It." Mrs. Davies took her text from Genesis and impressed her hearers with the Christian word. Mrs. Davies also sang one of her favorite hymns.

Several announced their intention of joining the church at the close of the talk. An after-meeting was held, at which George D. Moore and Rev. Mr. Skilhorn, two evangelists who have been holding tent revivals in this vicinity for the past several weeks, talked. Mr. Moore gave his experience and told how successful he and his fellow-worker had been in the tent revivals at Green Ridge. Mr. Bell, of Jermy, spoke, as also, did Rev. B. R. Hector, of Oakland. Presiding Elder Eckman was chairman of the evening.

The meetings will be continued this and tomorrow nights. At this evening's session Mrs. Davies will give another Bible reading. The meetings thus far have been very successful.

Case of Diamond Cut Diamond.

One of our prominent young men figures in an amusing story which is going the rounds. Harry Johnson, for such is not his name, a few days ago was an employee, as bookkeeper, of a prominent central city company. He became dissatisfied with his position and, incidentally, with his employer, and determined to resign as soon as another position could be obtained. About the same time his employers resolved to depose the same Johnson, for reasons not very flattering to him. Each side kept his determination a secret from the other, and employer and employee played a game of hide-and-seek. The work went pleasantly on and not a hint of the impending departure was dropped by either person. At last the firm became impatient and an advertisement was inserted in the want column of The Tribune for a "good bookkeeper with references; must be a stenographer and have practical experience." The young man read the "ad" and the next mail delivered an application from "Harris Johnson," mentioning his present employer for references. This employer, reading the letter, read it, loosened his belt and laughed. The business man was to refer to himself for reference for a position which was at his own disposition; he was also asked to recommend a man whom he wished to discharge, and send that recommendation to himself. But picture Harris Johnson, when the tangle was made known to him.

Death of an Old Resident.

Fleider Miller, aged 75 years, for a long time a resident of this side, died yesterday morning. He was born in a paralytic stroke. Mr. Miller was born in Germany and emigrated to this country before the war. He served in the union army and came home with a fine record. He helped to build the Delaware, Lackawanna and Western company's line through Great Bend, and when "Glad Henry," a well-known character some years ago, was injured, Mr. Miller worked by his side. He is survived by two children, Mrs. Martin Weber and John Miller, with whom the deceased lived and died. The funeral will be held on Saturday at 2:30 o'clock.

An Obituary Note.

The West Side has its boy, where the worst kind of young people, in fact, the scum of the city, gather and associate until the early hours of morning. This place is a certain sink on West Lackawanna avenue. Last evening the usual 10-cent ball was in progress and an immense crowd of boys and girls danced and caroused to the discomfort of respectable neighboring residents. The police are continually bothered by the crowd and frequently the officers are carried on in the open street. It is a disgrace to the West Side.

The Late John Evans.

The late John Evans, who died suddenly Wednesday evening, was born in Wales seventy-five years ago. He emigrated to this country when a young man and has resided on the West Side for a number of years. Mr. Evans has not figured prominently before the public, but he had many friends who mourn his departure. He is survived by a grown-up family, among whom is Police Officer Thomas Evans. The funeral will be held Saturday at 3 o'clock from the late home on Hampton street.

SOUTH SIDE NEWS.

Pleasant Time Enjoyed by a Party of Young People Who Drove to Hillside Farm by Moonlight.

It was 2:30 yesterday morning when the young people who enjoyed the strawdew to the Hillside Home returned, fatigued from the round of pleasure and enjoyment which attended their moonlight outing. A more propitious evening for such an occasion could not have been wished. The starting point was from the corner of Pittston avenue and Cherry street. Two wagons were used to carry the pleasure-seekers. On the way to and from home several of the party contributed toward the pleasure by their vocal charms.

Having arrived at the Hillside Home, a reception was awaiting, in which Superintendent George W. Reemer, Resident Physician Benjamin T. Evans and Poor Director John Gibbons busied themselves untiringly for the accommodation of the assemblage. The excellent management of the institution was the general comment. Professor M. J. Lovern, who accompanied Mr. Gibbons, had his favorite piccolo along and he discoursed concordant strains to the great delight of all. Dancing was enjoyed in the ball room of the inmates until a seasonable hour. The names of the party are: Misses Ella F. Donahoe, Nellie Jones, Julia McGilgan, Lizzie Joyce, Ella McGilgan, Katie Donahoe, Bessie McGilgan, Winnie Melvin, Margaret Durkin, Mamie McGilgan, Katie G. O'Malley, Lilly Gaffney, Sarah Kelley, Jessie Gibbons, Anna Gibbons, Dottie Gibbons, Mamie Jordan, Ella Jordan, Eliza Jordan, Anna Jones, Alex T. Connell, John F. Gibbons, Jean P. O'Malley, Martin H. Did They Go Together?

Serious rumors are rife of the announced departure from this side of Mrs. John Penkalski, of Kolb court, and a man named Jacob Hyzey, who boarded with her, and that simultaneous with her departure, Mr. Penkalski, discovered that \$320, which he had kept in the house, went with them. A gold watch, his new suit of clothes and some portable bedding are also among the missing. It is vouched on trustworthy authority that the faithless woman and her boarder have eloped, and that they have headed their

craft toward Pittsburg. Mr. Penkalski swore on a warrant for the apprehension of the fugitives, but though he kept a sharp lookout at all the railway stations, his watchfulness was not rewarded. He is of a prosaic nature, and mourning his money, watch and clothes more than his spouse.

Narcoti-Cure

CURES THE TOBACCO HABIT
IN 4 TO 10 DAYS
OR MONEY REFUNDED.

Use All the Tobacco You Want Till Your "Craving" Is Gone.

NARCOTI-CURE is the only remedy in the world that acts directly on the nerves and drives the nicotine from the system in from four to ten days. It leaves the patient in better health than before taking, and is warranted free from any injurious ingredients.

NARCOTI-CURE is popular because it allows the patient to use all the tobacco he wants while under treatment, or until the "craving" and "hankering" are gone. It is then no sacrifice to throw away tobacco forever.

NARCOTI-CURE is sold at the uniform price of \$5.00 a bottle and one bottle cures.

Money refunded if a cure is not effected when taken according to directions.
